**Privacy waiver to the processing of personal data pursuant to the Italian Data Protection Law in force (D. Lgs. 196/2003)**

According to art. 13 of the Italian Law **D. Lgs. 196/2003** of 06/30/2003, Neol srl hereby wishes to inform you that the personal data you provide may be the subject of treatment by our company. Neol Srl is the owner of the treatment itself.

Treatment means: collection, storage, organization, preservation, processing, modification, selection, extraction, comparison, use, interconnection, communication, blocking, erasure, destruction.

**AIM**

Personal data will be treated in compliance with this Decree for purposes connected and instrumental to the company, in particular:

- carrying out of legal requirements
- carrying out of the Board or the Supervisory Board displays;
- preliminary requirements in order to award a contract not activated yet;
- implementation of contractually agreed services (activation of services in telecommunications and e-mails, records from other companies);
- management of supply relationships (of products);
- needs of managerial and administrative nature;
- communication of technical information and communications relating to business services;
- organization of conferences and days of study.

**Methods of treatment**

Appropriate tools will process the data in order to ensure security and confidentiality, also automated storing tools in order to manage and transmit the data.

**Communications with other organizations**

Personal information may be disclosed to:

- companies, consortiums, associations or institutions which carry out related activities, in order to carry out the operations and services requested;
- subjects that can access to personal data are recognized by law, or secondary legislation, or Community legislation;
- subjects to whom the transfer of personal data turn out to be necessary for managerial and administrative matters.

**Rights of the person concerned**

In relation to these handlings, you can also exercise their rights under Art. 7 of the Italian Law (**D. Lgs. 196/2003**), namely:

- know the existence, the purpose, and the logic of the handling and obtain from the controller the erasure and updating of data;
- object in whole or in part for legitimate reasons to the processing of personal data, even if relevant to the purpose of handling;
- object to the processing of personal data for commercial information or advertising materials

We inform you that your personal data communication is optional, nevertheless we must point out that any refusal to tell all or part of your data and to authorize the communication to the subjects mentioned above, could lead to the failure of the transactions or services required by you or to the failure of the foundation of the relationship you have offered.
